

Indian Association of Law and Economics

[The Indian Association of Law and Economics Association (IALE) has been formed at the International Conference on Law and Economics, 3-4 September, 2016 at IIT Kanpur. The conference has been organized by the Consortium (Indian Institute of Technology Kanpur, Gujarat National Law University Gandhinagar and Indian Institute of Management Ahmedabad)].

Rationale of the IALE

The conference consortium, over the last two years has experienced high demand for the interdisciplinary subject of Law and Economics from academia consisting of faculties, research scholars, UG and PG students belongs to various disciplines, corporate professionals and legal practitioners. In addition, there is a need to create indigenized knowledge base of this interdisciplinary subject. The efforts of our conference consortium intends to address this growing demand hence we propose to create Indian Law and Economics Association. This association will attract interested scholars from India and abroad.

Vision

The Association will work on socio-economic-legal and technological challenges relevant at the National and International levels.

The Objectives

1. To provide a common forum for scholars, professionals for research, publications, exchange of knowledge information in the field of Law and Economics;
2. To promote the interdisciplinary field of Law and Economics in India and abroad;
3. To advise and educate the general public about the fields of Law and Economics;
4. To organize conferences, training programmes and workshops in different parts of the country for the advancement of knowledge in the field of Law and Economics;
5. To publish journal or periodicals in the field of Law and Economics;
6. To associate or to form joint projects with any other institutions, universities, NGOs or other organizations in India and abroad for promotion of research knowledge in the fields of law and economics;
7. The Association will rely upon the registration fee collected for the Conference on Law and Economics;
8. To do so other things as may be considered necessary in the interest of and for the benefit of the Association and its members.
