Dated: 26-11-2026

OFFICE ORDER

Sub: Implementation of Students' Medical Health Insurance for A.Y. 2026-27 IInd semester.

As approved by the Competent Authority, the following deadlines are implemented regarding Students' Medical Health Insurance coverage –

1. All new students who pay the complete fee on or before the date of registration i.e. 8th January 2027 will be covered in Medical Health Insurance policy from 9th January 2027.

2. Students who pay the fee between 09th January to 11th January 2027 (till late registration) shall be covered under the Medical Health Insurance policy from 13th January 2027.

3. Students who pay the fee on or after 12th January 2027 shall personally visit DoSA office with payment receipts. Their Medical Health Insurance coverage will start after two weeks of submission of fee receipt in DoSA office.

4. Students who are transferring the fee amount directly to our account through a bank loan must follow the steps given below:

- Collect the advice note from the concerned bank after the transfer is completed.
- Email the advice note to **receipts@iitk.ac.in** for issuance of the official fee receipt.
- After receiving the fee receipt from the Institute Accounts Section, submit a hard copy of the same to the DoSA Office for updation of your fee payment record.
- Insurance will depend on the payment receipt submission date based on point 1,2 & 3.

5. Until successful coverage of Students' Medical Health Insurance policy (refer to points 1,2 & 3), students and their guardians shall bear all the medical expenditure occurs in case of medical emergency/treatment. However, institute will provide other kinds of assistance.

6. If any student withdraws from their academic programme, their insurance amount will not be refunded.
