CORRIGENDUM

In addition to the provisional list of candidates shortlisted for the written examination for admission to the Ph.D. programme in Statistics for the 2026–27-II semester at the Department of Statistics and Data Science, IIT Kanpur, published on November 17, 2026, the candidate listed below has also been shortlisted to appear for the written examination scheduled for November 30, 2026.

S. No.	Application Reference Number
1	IITKPG2/Ph.D./SDS/2620000209

Further, upon careful scrutiny and verification of the documents submitted by the following candidates, whose names appeared in the provisional list of candidates shortlisted for the written examination published on November 17, 2026, it has been found that they do not fulfil the prescribed eligibility criteria for admission to the PhD programme at IIT Kanpur. In particular, the eligibility requirement stipulates possession of a valid Junior Research Fellowship (JRF). Accordingly, qualification in the UGC-NET examination under the JRF category is acceptable, whereas qualification under the NET category conferring eligibility for appointment as Assistant Professor alone, without JRF, does not satisfy the prescribed eligibility requirement.

Consequently, following candidates do not meet the eligibility requirements for admission to the PhD programme and, therefore, their names stand excluded from the list of candidates shortlisted for the written examination scheduled to be held on December 1, 2026.
