Green Talents Competition 2017 now open to non-German PhD students

Are you a Masters or PhD Student in the field of Sustainable Development? Do you want to become one of this year’s 25 Green Talents winners? Apply now and convince our expert jury of your outstanding achievements in sustainable development. This year the award is devoted to “Sustainable Production and Consumption”. Although it focusses on behavior changing projects or new technologies to change production methods, the call is still open to ALL disciplines.

**Deadline:** 23 May 2017
