

## Assignment 02

Please watch Lesson 2 before attempting this assignment.

From internet, find a passage (approximately 15-20 sentences) in English for ‘interpretation’.

At the top of your write-up, mention the title, author’s name, the URL from where you have taken the passage and the page number (if the passage is a part of the document).

Now, take the sentences in the passage one by one and translate them into Hindi (or Bengali, Oriya, Marathi, Gujarati, Punjabi, Telugu, Tamil, Malayalam, Kannada or Urdu) using ‘Interpretation’ process illustrated in lesson 2.
