- In the first round, a few non-essential shops on the campus have been allowed to operate. The decision to open other shops of non-essential nature will be taken after reviewing the situation.
- Only those shopkeepers and their staff, who have been allowed to operate now and are staying in the **non-hotspot area** of the city, will be allowed entry in the campus. They shall also provide complete information regarding this to the Estate Office who in turn will share this with the Security.
- All other conditions of the office order dated 04.05.2020 will remain in force.

Institute Security will coordinate enforcing the above arrangements.
