

The PAN INDIA CASHLESS MEDICAL INSURANCE SCHEME of the institute -- to take care of the hospitalization needs of the employees and their dependents -- has been extended till 15.05.2020.

A few changes were made in the scheme which are given below for your ready reference.

1. Group A employees will be entitled to a room rent of RS.7000/- and Group B Rs.4000/- and Group C Rs.2500/- per day.
2. Cataract operation are capped at RS.24,000/-
3. Normal Delivery charges are capped at Rs.50,000/-
4. ICU charges have been increased to Rs.9,000/- irrespective of category.
5. An additional Rs 1 lakh from the buffer can be released for critical illnesses which are defined by the insurance company as per availability of Buffer.
6. Attention of the beneficiaries is drawn to the fact that minimum 24 hours hospitalization is required to be eligible for cashless treatment/reimbursement of medical bills. This is not applicable for the day care procedures. You are requested to visit the following link for more details on this subject: <http://www.iitk.ac.in/new/office-order-registrar-s-office>
7. The cards which were downloaded by the beneficiaries shall continue to remain valid till new cards are issued by the Insurance Company TPA. Beneficiaries are advised to carry Institute ID card to supplement the card issued by the Insurance Company TPA for availing the benefits agreed upon as per the terms of the policy.

All the office orders previously issued shall stand valid and in operation except those which have been listed above. Efforts are being made to make the following insurance link operational <http://www.iitk.ac.in/hc/>.

Hence forth, you are requested to visit this link periodically for updates on the scheme.

Best wishes,
