

# Indian Institute of Technology Kanpur

## Chandrakanta Kesavan Lecture Series

**March 14, 2024(Thursday)**

**05:30 PM**

**LH-08**

**Speaker : Mr. Sanjay Khare**

**Sustainability-Beyond Greening to Conscious Capitalism , a 30 Trillion \$ opportunity**

### About the Talk

Embark on a transformative journey in "Sustainability Navigation: Decoding the Path to Net Zero and Beyond." This talk at IIT Kanpur's Sustainability Engineering Department explores strategic insights and actionable practices to achieve a sustainable future. Delving into the nuances of net zero implementation, the discussion navigates challenges, unveils blueprints, and emphasizes innovative pathways. From environmental impact reduction to resilient strategies, the focus extends beyond footprints, steering industries towards sustainable and responsible practices.

### About the Speaker

Sanjay Khare, an Electrical Engineering B.Tech from IIT Kanpur (1986), boasts a 38-year career in leading automotive OEM roles globally including Maruti Suzuki, Volkswagen & Skoda . An advocate for sustainability, he drove Net Zero implementations at Skoda Volkswagen, India. Active in policy organizations, including CII and FICCI National Committees on Decarbonisation, Circular Economy , Sanjay mentors sustainable mobility startups at NSRCEL, IIM Bangalore. As an Independent Director, he brings a unique perspective to corporate sustainability. He has also been chair of CSR committee. His multifaceted life includes being an endurance cyclist, conquering challenges like the 18,350 ft Khardungla Pass. Sanjay Khare is a seasoned expert ready to unravel sustainable pathways in his talk.
