Internship for Students from Ladakh at IIT Kanpur, IIT Delhi & IIT Bombay

Online Applications are invited to the following programs for the Academic Session 2026-27 from students belonging to Ladakh in all areas of Engineering, Sciences, and Humanities & Social Sciences

1. Short-Term Internship (6-8 weeks duration)
2. Long-Term Internship (4-6 months duration)

There are a total of 30 seats available at the three IITs for short-term internships and 15 seats for long-term internships.

Students for short-term internships would be selected based on their application. However, for the long-term internship, the selection would be based on application as per the norms of IITs.

The students selected for the short-term would be paid consolidated scholarships of Rs. 15,000/.

The students selected for the long-term internships would be paid, Rs. 10,000/- per month respectively.

The last date to apply for the internship programs is April 08th, 2026.

Please Refer to the link for Form Fill-up:
https://forms.gle/ZNwPzofd9muTr9M16

Sponsorship Certificate will be provided by the Government of UT Ladakh.

1.0 Short-Term Internship

1.1 Educational Qualifications for Admission to Short-Term Internship

Students from Ladakh who are eligible to apply may have recently completed or currently pursuing an undergraduate degree in sciences, engineering, and entrepreneurship in any institution. Typically, this includes students who have completed 2nd year, 3rd or 4th year, or have completed their 4-year UG degree in areas of Engineering, Sciences, and Humanities & Social Sciences.

1.2 General Eligibility for Admission to Short-Term Internship Program.

The suggested cut-off is 60% or 6.00 cumulative GPA at the end of 2nd or 3rd year, or on graduation, with 5% relaxation for SC/ST/PwD candidates. However, depending on the number of applications received, a higher cut-off could also be decided. Students who are eligible to apply should be:

i. Currently enrolled in any UG program in areas of Engineering, Sciences, and Humanities & Social Sciences departments in any college in UT Ladakh,
or pursuing or completing a Diploma from Polytechnic College in Ladakh.
OR

ii. Any student whose permanent residence is in UT Ladakh, currently enrolled, or who completed any UG program in areas of Engineering, Sciences, and Humanities & Social Sciences departments in any college elsewhere.

Students must produce proof of current enrolment (NOC from parent institution), or final degree/degree completion certificate, along with proof of permanent residence in Ladakh (as relevant - Residential Certificate / Aadhar Card / Passport / Voter's ID Card / Any other government document that certifies permanent residence in UT Ladakh).

1.3 Admission Procedure:

Applications would be made online on the portal. Queries (if any) may be sent directly to the nominated contact person given in the advertisement.

All eligible applications will be reviewed based on the eligibility criteria mentioned in the advertisement. Selection would involve shortlisting based on marks/grades scored, past projects/internship / extra-curricular/entrepreneurial activities.

All received applications will be reviewed thoroughly for making a final selection. No interviews are to be conducted for the short-term Internship program.

1.4 Duration of the program at IITs:

The students enrolled for the short-term internship have to spend a duration of 4 to 6 weeks, starting from May 18 till July 17, 2026 in summer (tentatively) and December 2026 – February 2027 (tentatively) in winter.

2.0 Long-Term Internship

2.1 Educational Qualifications for Admission to Long-Term Internship

Students from Ladakh who are eligible to apply may have recently completed or currently pursuing an undergraduate degree in sciences, engineering, and entrepreneurship in any institution. Typically, this includes students who have completed 2nd year, 3rd or 4th year, or have completed their 4-year UG degree in areas of Engineering, Sciences, and Humanities & Social Sciences.

2.2 General Eligibility for Admission to Long-Term Internship Program

The suggested cut-off is 60% or 6.00 cumulative GPA at the end of 2nd or 3rd year, or on graduation, with 5% relaxation for SC/ST/PwD candidates. However, depending on the number of applications received, a higher cut-off could also be decided. Students who are eligible to apply should be:

i. Currently enrolled in any UG program in areas of Engineering, Sciences, and Humanities & Social Sciences departments in any college in UT Ladakh, or pursuing or completing a Diploma from Polytechnic College in Ladakh.

OR

ii. Any student whose permanent residence is in UT Ladakh, currently enrolled, or completed any UG program in areas of Engineering, Sciences, and Humanities & Social Sciences departments in any college elsewhere.

Students must produce proof of current enrolment (NOC from parent institution), or final degree/degree completion certificate, along with proof of permanent residence in Ladakh (as relevant - Residential Certificate / Aadhar Card / Passport / Voter's ID Card / Any other government document that certifies permanent residence in UT Ladakh).

2.3 Admission Process:

Applications would be made online on the portal. Queries (if any) may be sent directly to the nominated contact person given in the advertisement.
All eligible applications will be reviewed based on the eligibility criteria mentioned in the advertisement. Selection would involve shortlisting on marks/grades scored, past projects/internship / extra-curricular/entrepreneurial activities.

All shortlisted applicants will be called for an interview (online or offline), and their performance in the interview shall also form the basis of the final selection.

2.4 Duration of the program at IITs:

The students enrolled for the long–term internship have to spend a duration of 4 to 6 months, starting from July 1, 2026, till December 31, 2025, in summer (tentatively) and December 2026 – June 2027 (tentatively) in winter.
