EMD Exemption Eligibility and Rejection Criteria -

Bidders claiming exemption from submission of Earnest Money Deposit (EMD) must submit valid supporting documents justifying their eligibility under applicable rules. Only the following categories are eligible for EMD exemption:

- Original manufacturers, assemblers, or converters for tenders involving supply, manufacture, or related activities.
- Original service providers for tenders involving service delivery.

Note: Trader MSMEs or entities not falling under the above categories are not eligible for EMD exemption. If such bidders submit exemption claims without meeting the eligibility criteria and fail to submit the EMD by the prescribed deadline, their bids shall be summarily rejected without further consideration.

It is the sole responsibility of the bidder to ensure compliance with EMD requirements. Misinterpretation or incorrect assumption of eligibility shall not be entertained as grounds for waiver or reconsideration.
