

Bid Corrigendum

GEM/2026/B/8006026-C1

Following terms and conditions supersede all existing "Buyer added Bid Specific Terms and conditions" given in the bid document or any previous corrigendum. Prospective bidders are advised to bid as per following Terms and Conditions:

Buyer Added Bid Specific Additional Terms and Conditions

1. **OPTION CLAUSE:** The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.
2. Buyer Added text based ATC clauses

Corrigendum-I

-

Additional T&C (If Any)- See Attachment in ATC For Specifications or BID related Certificates (Mandatory)

The item must strictly comply with our Additional Technical Specifications as detailed in the *Buyer Added BID Specific ATC* and the *Scope of Work* in the bid document. These additional specifications shall take precedence over the selected bid item, as the selected item does not fully meet our technical requirements.

Bidders are therefore requested to quote accordingly. Non-compliance with the Additional Technical Specifications may lead to rejection of the bid.

Note-1

01 - All Bidders should provide quoted item's Make & Model No with its official/printed brochure (Mandatory) if brochure is NA, then please provide detailed specifications (with Make & Model No) as required/asked in BID and this should be in your Co./Firm letter head with duly signed & stamped (Do Not Copy Paste our Required/Asked Specifications)

02 - Copy/Paste of Our Required Technical Specifications or any non-relevant document provided in Technical BID from bidders may lead to rejection of BID.

Price Reasonability-

Submit at least two previous purchase orders issued by any CFTI or government organization for the quoted item, accompanied by corresponding satisfactory performance reports.

Imp: The value of each purchase order must be clearly visible.

If the submitted purchase orders are older than one year, please provide a justification for any price variation.

If no prior purchase order exists for the quoted model, highlight the key differences between the quoted model and the previously supplied model, including a comparative price analysis.

Clearly itemize all cost components including base price, applicable taxes, duties, transportation charges, and packing & forwarding fees in financial bid.

Detailed technical specifications for all items have been provided in the specification documents. Therefore, bidders are requested to quote accordingly, considering the complete scope and requirements.

Brand Neutrality / Equivalent Product Acceptance- Participating bidders can ignore the Make/Model/Brand Specific Name (if mentioned anywhere in bid document) while participating in the bid. Bidders can quote for substantially equivalent products required in the bid.

Bid Specific MAF (Manufacturer's Authorization Form) from OEM should be submitted by the bidder stating that the bidder is an authorized partner of OEM for supply and service of offered product & is authorized to supply the quoted OEM products against the bid. If the bidder is an OEM, then self-declaration on company letter head is to be submitted by the bidder.

Important - (Only one authorized bidder will be accepted against a Bid-Specific Authorization issued by a single OEM.)

EMD Exemption Eligibility and Rejection Criteria -

Bidders claiming exemption from submission of Earnest Money Deposit (EMD) must submit valid supporting documents justifying their eligibility under applicable rules. Only the following categories are eligible for EMD exemption:

- Original manufacturers, assemblers, or converters for tenders involving supply, manufacture, or related activities.
- Original service providers for tenders involving service delivery.

Note: Trader MSMEs or entities not falling under the above categories are not eligible for EMD exemption. If such bidders submit exemption claims without meeting the eligibility criteria and fail to submit the EMD by the prescribed deadline, their bids shall be summarily rejected without further consideration.

It is the sole responsibility of the bidder to ensure compliance with EMD requirements. Misinterpretation or incorrect assumption of eligibility shall not be entertained as grounds for waiver or reconsideration.

MII Clarification

Important Note - As per Make in India (MII) clause for Participating Class I Local Supplier:

Bidders participating as Class-I Local Supplier (Minimum Local Content 50% or above) must submit the local content declaration/certificate issued from OEM only. Otherwise, Bidder would be treated as Class II Local Supplier.

The Institute reserves the right to cancel the tender at any stage without assigning any reason thereof.

As per the Public Procurement (Preference to Make in India) Order, 2017 (amended on 19.07.2024), small purchases of scientific equipment/consumables up to ₹50 lakh by eligible scientific and research institutions are exempt from local content requirements. Therefore, where this exemption is applicable, participation by non-local suppliers shall be allowed, subject to the condition that procurement is not split to avoid compliance with the Order. (if applicable, non-local suppliers can also participate)
