English Language Cell, IIT Kanpur

English Diagnostic Test 2025

Kindly read below mentioned instructions carefully before taking the test.

General Instructions

1. Every year the English Language Cell (ELC) conducts English Diagnostic Test (EDT) for the incoming students.
2. The aim is to measure the proficiency levels of students in English. The test is part of HSS course allocation.
3. The EDT will happen online. The site link: https://hello.iitk.ac.in/
4. You need to login using your IITK mail id and password.

Test-related Instructions

1. There is a mock test and an actual EDT on the site.
2. How to access mock test and the EDT:
   Homepage > Introduction to EDT (this contains details of the tests)
   Homepage > Mock test (this is the mock test for practice) > Assessment>Quizzes>Mock test
   Homepage > English Diagnostic Test 2025 > Assessment>Quizzes>UG EDT
3. Download the document under Week 0 > Introduction to EDT
4. Read it carefully before you start the mock test and EDT 2025.
5. **Mock test** will be available from 11.00am on **July 22, 2025,** till 11:59pm on July 22, 2025. You can take it any number of times.
6. **Actual EDT will be held on July 23, 2025**. Venue and time slot will be shared by the Counselling service team.
7. You can take EDT only once.
8. If for some technical reasons you are unable to take the test, contact counselling service volunteers.
9. It is mandatory to answer all questions. You will be asked to re-appear for the test if you do not attempt all questions.
