1.	21111018	Ashutosh Patel	CSE	MTech	Recommended	Recommended
2.	22111002	Abhishek Kumar Pathak	CSE	MTech	Recommended	Recommended

** SPGC also recommended that the associated transcript with MTech/MSR (Project report) degree certificate should include the annotation **"M. Tech./MS-R degree awarded with the submission of Project Report not amounting to a full Thesis"** as per PGARC final report (page 30, Section 9.7, point V)

d) Proposal for Modification of section 4.7 of PG Manual (deferred item from 11th SPGC meeting)

In the recent past, a few PG students have converted their part-time program to full-time, as per the following existing Section 4.7 of PG manual. After conversion to full-time, some of the students have again converted to part-time, as per Section 4.8 of PG manual, which at times, is not desirable, as the selection process for full-time PG programme is often more rigorous as compared to part-time PG programme. Also, the existing Section 4.7 of PG manual does not require the consent/ no-objection from the employer, as a student joining a part-time PG programme is likely to be a working professional. In this regard, the following modification is proposed to avoid such instances. The modification is inspired by the existing Sections 4.6 and 4.8 of the PG manual.

Existing Clause	Proposed modification
<p>4.7. A student admitted to a part-time programme may be allowed to change his/her registration to full-time (regular) studies at the beginning of a semester upon the recommendation of the DPGC and with the approval of the SPGC. For the purpose of determining the maximum period of stay (specified in Section 7.1), one-half of the period spent as a part-time student will be counted.</p>	<p>4.7. A student admitted to a part-time programme may be allowed to change his/her registration to full-time (regular) studies at the beginning of a semester upon the recommendation of the DPGC and with the approval of the SPGC.</p> <p>However, the employer of the student must provide no-objection certificate prior to such a conversion. Provision of conversion from part-time to full-time status can be availed of only once by the student during his/her programme. Students in part-time M.Tech./M.S. by Research programme, who have availed this conversion to full-time, are not permitted to change over to full-time Ph.D. programme. Such a change of registration shall be reported to the Senate. Further, conversion of registration from full-time to part-time, as per Section 4.8, shall not be applicable to students, who have once converted from part-time to full-time registration.</p> <p>For the purpose of determining the maximum period of stay (specified in Section 7.1), one-half of the period spent as a part-time student will be counted.</p>

The SPGC members opined that the above modification be shared with the departments for their feedback. The departments are requested to share their feedback by **October 31, 2024**.

1	Addendums/ modifications to Sections 2.3.6 – 2.3.10 of PG manual, especially with respect to applicants with BTech/ BSc from non IITs (need to valid GATE/ UGC JRFscores) and for applicants who have applied for INSPIRE Fellowship	SPGC members agree with suggested modifications with minor changes (highlighted in relevant attachment).. Also, additional separate sub – section is to be made in Section 2.3 for SEE, SPASE and BSBE, who wish to admit PhD students from engineering and science backgrounds. The same is reported to Senate for final approval.
2	Proposal to increase the number of reviewers for PhD thesis review and related modifications to Section 11.6.3.1 of PG manual	SPGC members agree with the suggested change. The same is reported to Senate for final approval.
3	Modification to Section 2.3.c of PG manual regarding appropriate inclusion of tentative statement ‘...and online/ distance education program/ degree with no lab component shall not be equivalent to BTech/ BSc degree’	SPGC members agree with the suggested change. The same is reported to Senate for final approval.
4	Modification to point 4(b) of Section 4 of PG manual regarding categorization of newly admitted PG students under A/ B/ C/ D	Deferred to next SPGC meeting

5	Process to be followed for students who exit from PhD with MTech/ MSR degrees and not complete the exit program within the suggested 6 months to complete the exit degree requirement + additional 3 months approved by SPGC for bonafide reason (Section 7.8 of PG manual)	SPGC members agree with the need to have the suggested change. However, the same should be appropriately reflected in both PG and MSc/ MSPD manuals. The suggested and refined versions of these changes will be discussed in the next SPGC meeting.
6	Resolution towards discrepancy regarding withdrawal/ termination of MSc students who migrate to MSPD program	SPGC members discussed the matter and opined that a SPGC sub-committee (DPGC PHY – Convener, DPGC CHM, DPGC MTH) prepare the relevant changes to be made in PG and MSc/ MSPD manuals for further discussion in upcoming SPGC meetings. The above SPGC sub-committee is requested to share feedback by October 31, 2024.
7	Modifications to be made regarding the termination procedure of academically deficient PG students at the end of every semester as per new PGARC, existing norms, and procedure approved by BOG in its meeting held in Sep 2023	SPGC members discussed the matter and opined that feedback be sought from the departments. The departments are requested to share feedback by October 31, 2024.
8	Request for extension of MTech thesis submission deadline Basavantula Rajaratna-21101268-AE (PhD exit option)	An additional three month extension is approved for submission of MTech thesis towards exit degree from PhD, as per Section 7.8 of PG manual.
9	Regarding semester break- Dola Indu Priya (241070614)-CHM (please see Annexure I, S. No. 186)	Based on medical grounds, the student is allowed for semester break during 24-25 Sem I. However, the student must appear for the medical board, before joining again as a PhD student. The same is reported to Senate for final approval.
10	Proposal for additional MSR degree to PhD students (Department of Physics)	SPGC members discussed the proposal and opined that the same be sent to departments for feedback. The departments are requested to share feedback by October 31, 2024.
11	Cancellation of withdrawl request of Kartik Samanta (Y24 MSc CHM – 241070013)	SPGC members agree with the student's request and recommendation from department. The withdrawl request of Kartik Samanta (241070013), which was processed, be overturned. The same is reported to Senate for final approval.
12	Anil Kommagala (21101007) – Request to submit thesis and defend it after Aug 13, 2024 (DOAA approved deadline to submit thesis without registration or leave in 24-25 Sem I); request received on Sep 13, 2024 (please see Annexure I, S. No. 8)	SPGC members opined that the student's request cannot be processed, as the student has violated all given deadlines and maximum allowed number of semester leaves. Further, the student is not registered as a MTech student in 2024-25 Sem I, and nor on approved leave. The same is reported to Senate as a noting item.
