d) To consider the cases of PG (MTech/MSR/MBA/MDES/PhD) students who have failed to meet the stipulated academic requirements in the **2023-24-II semester (Y22 Batch and earlier)**, as given in **Annexure-I and Annexure-II** below.

**Any other item with the permission of chair:**

Sr. No	Item Description	SPGC Recommendation
1	Request for one course waiver – Mounika Dasa-22128405-CGS	The department is requested to re-visit the request and provide equivalency between the requested course to be waived and the modular courses, which the student has already done.
2	Permission for registration of PhD (external)- Pawan Kumar – 19205267 -ME (Part-Time)	Based on the DPGC recommendation and the student's non-registration for the last few semesters, the SPGC does not consider the request
3	PG APEC 2023-24-II Report submit by APEC Chairperson	SPGC sincerely thanks the PG APEC members of 2023-2024 Sem II for their time and effort in preparation and finalization of the PG APEC report. The PG APEC report is to be presented on the Senate floor.
4	Query related to stay in Hostel without Academic registration in summer – DOSA	As intimated by DOAA, the last date for defense is 31-05-2024. Any student defending their thesis before this date does not need to register for the summer term 2024.
5	Proposal on PhD Degree Certificates - PHY	In the light of the fact that now-a-days many universities/ institutes want original PhD degree certificates for offering post doc positions, this proposal was presented by DPGC PHY and discussed in the

		meeting. SPGC welcomed the idea and recommended that a mechanism should be created to bestow PhD degree certificates more frequently rather than only once a year during the convocation. The same is forwarded to DOAA for consideration and further action.
6	Mercy Application from Ms. Vijaya- DoMS	Based on the recommendation from the department, SPGC does not recommend reinstatement. Regarding the new appeal directly sent to SPGC by the student, SPGC requests DPGC DOMS to provide inputs on the same.
7	Withdrawal from MTech and continuation as PhD Student. – Mr. Anjan Roy (20218262)- BSBE	Since this was already discussed in the 8 <sup>th</sup> SPGC meeting on 18-04-2024 and the decision was to not recommend the request, the SPGC's decision remains unchanged, as this may lead to a wrong precedence in future. Also, the student has already been given extension to exit from PhD with a MTech degree till May 31, 2024.
8	Change of 'Termination unless recommended by the DPGC and approved by the SPGC...' action to 'Warning' action in Academic Deficiency Categories guideline for Y22 and earlier MTech, MSR, MBA, MDes and PhD students, and appropriate modification of Section 7.7 of PG manual, as per the Senate approved guideline	<p>As per the Senate approved guideline for Academic Deficiency Categories of Y22 and earlier MTech, MSR, MBA, MDes and PhD students, there is an action plan 'Termination unless recommended by the DPGC and approved by the SPGC...', which requires an action from the DPGC (after consulting the student and thesis supervisor), else the student's program is terminated. During December and May, where the time is too short between end of a semester and inception of regular or summer semester, it has become difficult for DPGC to decide on such cases, owing to the short time, after taking inputs from the concerned student and thesis supervisor. Alternatively, there is also an action of 'Warning', which also serves a similar purpose of letting the student know of his/ her poor academic performance. In this regard, the above idea was discussed, and SPGC agreed that 'Termination unless recommended by the DPGC and approved by the SPGC; DPGC recommendation required' action be changed to 'Warning' action in Academic Deficiency Categories guideline for Y22 and earlier MTech, MSR, MBA, MDes and PhD students.</p> <p>Also, Section 7.7 of PG manual needs to be appropriately modified as per the approved Senate guideline with the above suggestion incorporated.</p> <p>This is reported to Senate for final approval.</p>
