

Md. Zeyauddin

Assistant Vice President (Market Development)

Mobile- +91-9582888663, Email: md.zeyauddin@ptcindia.com

- Power professional with around 14 years of diversified working experience in the areas of Power trading, Business development, Project management, Power plant planning and Performance monitoring at PTC India Ltd., JSW Energy Limited and Tata Power.
- PGDM-Ex from Indian Institute of Management, Calcutta & B.E.(Mechanical) from Birla Institute of Technology, Mesra, Ranchi with a specialized course in Power Engineering from National Power Training Institute, New Delhi.
- Well versed with regulatory risks and commercial arrangements associated with development, construction and commissioning of various generation schemes.

Here at PTC, I am responsible for taking care of Short Term Marketing. This vertical of PTC is responsible for undertaking power trading for contracts (Bilateral Sales and Power Swap arrangements) of less than one year period in domestic market and contributes around 40 % of PTC's traded volume.

About PTC

PTC India Ltd. (PTC) is the leading provider of Power Trading Solutions in India with primary focus to develop a commercially vibrant power market in the country. PTC is the only licensed power trading company having national foot print i.e. it has traded power in all the five regions of the country. PTC is also the notified nodal agency to handle cross border exchange of power from Bhutan and Nepal.
