

# 5th INTERNATIONAL CONFERENCE ON FINANCIAL MARKETS & CORPORATE FINANCE DMS, IIT DELHI 6-8 July 2023

## Final Call for Papers

### About the Conference

International Conference on Financial Markets & Corporate Finance is an initiative taken by leading management schools within the Indian Institute of Technology system. The conference brings together researchers from academia, industry and regulatory organizations to deliberate on theoretical work, empirical findings and policy implications related to financial market and corporate finance.

Department of Management Studies (DMS) IIT Delhi is pleased to announce the **5th INTERNATIONAL CONFERENCE ON FINANCIAL MARKETS & CORPORATE FINANCE (ICFMCF 2023) during July 6 - 8, 2023**. The aim of the conference is to provide a forum to showcase the cutting-edge research in the area of financial markets and corporate finance. The conference provides an excellent avenue to get quality feedback and an opportunity for networking among researchers, academicians and industry executives working in the area of finance and allied areas. We invite high quality original **theoretical/applied empirical papers (or extended abstracts)** from faculty members, research scholars and industry practitioners.

Submission covering studies in the context of India and Emerging Markets are generally encouraged.

**Papers/extended abstracts** may be submitted on the topics listed below, but are not limited to:
