Indian institute of Technology Kanpur

Treasury Single account (TSA)

Dear Students

This is in continuation to earlier mail dated June 15, 2021 and June 22, 2021, regarding bank details required to be provided for registration in Treasury Single Account (TSA).

Many of the students were not able to provide the requisite information as they do not have bank account in their name. It was informed that the last date of submission of the information has been extended till July 15, 2021 (12 Midnight). All those students getting financial Assistant-ship from the Institute in form of MCM/ Freeship/ Scholarship etc. are requested to provide their information at the earliest at the following link:

https://oag.iitk.ac.in/studiitk

We again irritate that "k**indly don't put the bank details of your parents or any of your family members".** Putting the bank details of your parents or any of your family members would cause delay in registration under TSA. In case anybody has provided the details of your parents or any of your family members or even in case of any query, please do write to me at ar_acct@iitk.ac.in or call at +91-512-2596416 during office hours. You can also mail at rdixit@iitk.ac.in or call him at +91-512-2596813 during office hours.

If you experience any technical difficulties in the online process, please write to: oaacad@iitk.ac.in with Roll No, Name, Department and Program etc.
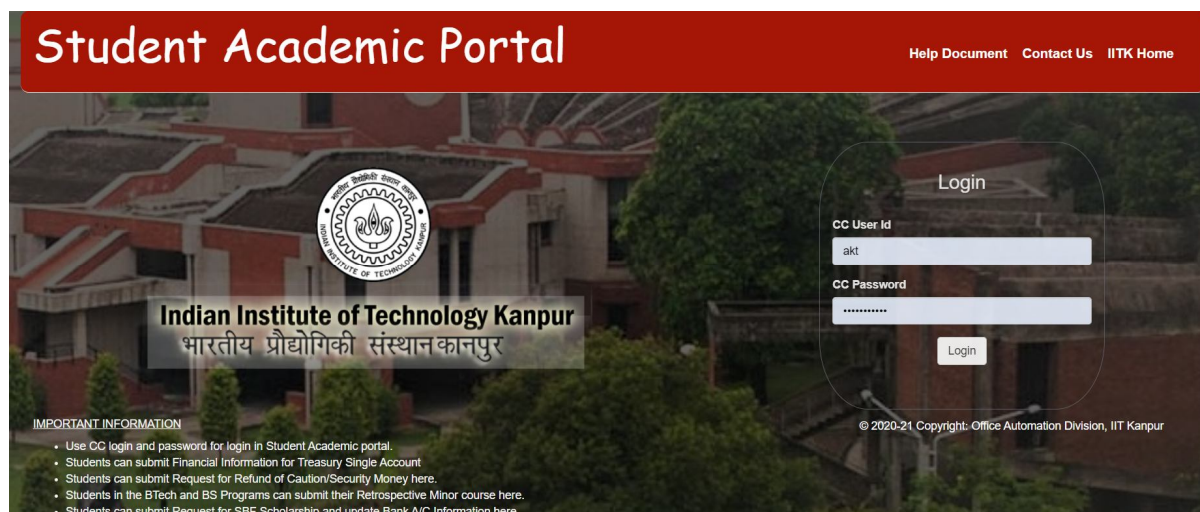

Thanks

S. K. Gupta
