

## Assignment 01

Please watch Lesson 1 and Tutorial 1 before attempting this assignment.

### Part A

1. Which basic aspect of our lives says that learning English is easy?
2. What is the common problem faced by the students while speaking in front of the class?
3. Enumerate some problems in general faced by us in the process of learning English.
4. Though we all want to learn, what is the main reason English learning is not promoted during childhood?
5. Why does the speaker not assure you of a good command over English even after one year of systematic course work?
6. “Sense of humour is a defining feature of natural intelligence.” Discuss.

## **Part B**

In 15-20 sentences, describe your motivation behind taking this course.
