

Assignment 06

Please watch Lesson 6 and Tutorial 6 before attempting this assignment.

Part A

1. What item is new in the slide ‘eat’ in Lesson 6 compared to the slide ‘go’ in Lesson 4? What is the rule taught in Lesson 6 to include this new item in a sentence?
2. What is the difference between ‘a little’ and ‘little’? Give another example of such a pair from the lecture.
3. Cite the wrong sentence used by the boy in class to ask the question related to mangoes. Explain why it is wrong and what is the correct rule.
4. Why did the teacher say that sentences in past tense are easier to make compared to those in present tense?

5. What is new in the slide ‘play’ compared to the slide ‘eat’? Explain the associated rule.
6. What are ‘phrases’? Give examples.
7. Explain the meaning of the word ‘vital’.
8. List out the typical kinds of mistakes that students made during the practice session.

What are the points one should remember to avoid such mistakes?

9. Give a brief description of the word-game played during the tutorial?

Part B

Make **10 triplets** of sentences (total 30 sentences) in **simple past, present and future**. Each triplet of sentences must consist of one word exactly once from the following words:

1. chase	2. chide	3. drone	4. grave	5. muzzle
6. pile	7. scheme	8. shore	9. smuggle	10. truce

Example of a triplet (for the word ‘theme’):

The theme of the novel emphasised spirituality and God.

The theme of the novel emphasises spirituality and God.

The theme of the novel will emphasise spirituality and God.
