

## Assignment 30

Please watch Lesson 30 and Tutorial 30 before attempting this assignment.

### Part A

1. What is the main problem of graduates across India according to the speaker?
2. Good English background of a general student in the current system is a coincidence. Do you agree?
3. Is language completely logical? Substantiate your answer.
4. What is the purpose of Test of English as a Functional Language, the standard test developed in EPP?
5. What is the caution to be exercised while framing a negative sentence in future tense?
6. Write a query in future continuous.
7. Write an interrogative sentence in perfect tense with passive voice.

## Part B

Write a review of the course (within 500 words), till this point, i.e. lessons 1-30. Particularly highlight which lessons and assignments have major strengths and weaknesses from the viewpoint of ‘**learning and teaching English**’.

If you have any suggestions for improvement/enrichment of particular segment(s) or assignment(s), then focus particularly on them.
