

Assignment 32

Please watch Lesson 32 and Tutorial 32 before attempting this assignment.

Part A

1. What is a clause?
2. Differentiate among simple, complex and compound sentences, giving examples of each.
3. What is parsing? Give an example.
4. Analyse the sentences in the paragraph from 'A Study in Scarlet', the link of which is given on the EPP course page.

Part B

Read a fresh story **from the internet**, and collect 80 sentences from it for later analysis: 20 simple, 20 compound, 20 complex and 20 mixed.

At the top, before the four collections of sentences, provide the following:

- (a) Title and Author's name, and
- (b) The URL, or the *address* of the story in the internet where you read it.

[These collections will be useful for preparing some later assignments.
