

Assignment 33

Please watch Lesson 33 and Tutorial 33 before attempting this assignment.

Part A

1. List words etymologically connected to the root 'spect'. Mention their parts of speech as well.
2. To which root word do the words 'species', 'specify', 'specimen', 'specialist' belong?
3. List words related to the root word 'act'. Are 'fact', 'pact', 'tract' related to the root word 'act'?
4. "He took his umbrella and headed to the store." What kind of sentence is this?
5. "Usually she goes to the gym every day in the morning, but it was raining today." Identify the different clauses in this sentence.
6. "The regiment was stationed in India at the time, and before I could join it, the second Afghan war had broken out." What kind of sentence is this? Identify the different clauses.
7. List words etymologically connected to the root 'pell/puls'. Does the word 'gospel' come under the same root word?

Part B

(A) Develop trees of words etymologically connected to any **five** of the following words/roots: **line, note, part, pend, posit, sign, solve, tract, vert/vers**; mentioning the part(s) of speech against every word in them.

(B) From any one of the trees, pick up a few words and build **10 sentences** out of them to illustrate their parts of speech; taking among them **at least one noun, one verb, one adjective, one adverb, and as many words belonging to multiple parts of speech** as possible.

[For a word belonging to multiple parts of speech, its use in the different roles should appear in the illustrative sentences.]
