Sub.: Setting of Electronics and ICT Academy under Category - 'A' at IIT Kanpur

Dear Mr. Mittal,

This is with reference to your D.O. letter no 3(6)/2012-HRD (Vol-V) dated 09.10.2015 conveying the recommendation of the empowered committee for setting up of the Electronics and ICT Academy under Category-A catering to the requirements of Delhi, Chandigarh, Haryana, Punjab and Uttar Pradesh at IIT Kanpur.

At the outset, I wish to sincerely thank DeitY and you for giving IIT Kanpur the opportunity to set up the Electronics and ICT academy. Needless to mention that IIT Kanpur is most happy to accept the responsibility for setting up of the proposed Academy.

I would like to take this opportunity to propose Professor B V Phani, Industrial and Management Engineering (IME) Department as the Principal Investigator (PI) and Dr. Amey Karkare, Computer Science and Engineering (CSE) Department as the Co-PI from IIT Kanpur to take this national initiative forward.

I thank you once again for providing IIT Kanpur this unique opportunity to IIT Kanpur to contribute to this major national initiative in the area of ICT.

With kind regards,

Sincerely,

(Indranil Manna) 14.10.15
