

Avijit Khanra

Assistant Professor
IME Dept, IIT Kanpur

Phone: 0512-679-6180

Email: kavijit@iitk.ac.in

Timeline

- July 2014 Onwards* Assistant Professor, Department of Industrial and Management Engineering, Indian Institute of Technology Kanpur
- July 2009 to June 2014* FPM (PhD), Production and Quantitative Methods Area, Indian Institute of Management Ahmedabad
- July 2005 to June 2009* Manager/Engineer (Manufacturing), Tata Motors Limited
- July 2001 to June 2005* BE (Mechanical), Jadavpur University, Kolkata

Research

Current Research Inventory and Demand Management

Research Interests Stochastic Modelling, System Analysis and Optimization

Publications

- Khanra, A., Soman C., & Bandyopadhyay, T. (2014). Sensitivity analysis of the newsvendor model. *European Journal of Operational Research*, 239(2), 403-412.
- Khanra, A. K., & Khanra, A. (2005). Electrical discharge machining behavior of hotpress MoSi₂. *Journal of Materials Science*, 40(11), 3027-3030.

Teaching

- Probability & Statistics – PG Course at IIT Kanpur
- Stochastic Processes – PG Course at IIT Kanpur
