

MEMORANDUM OF UNDERSTANDING

Between the Royal Melbourne Institute of Technology (RMIT) of 124 La Trobe Street, Melbourne, Victoria, 3000, Australia and Indian Institute of Technology Kanpur, Kalyanpur, Kanpur 208 016, India

This Memorandum of Understanding sets out the intent and purpose of the collaboration between our organisations by which we may co-operate in establishing closer links in the following areas:

- Exchange of faculty members and researchers
- Exchange of students for special short term programs and internships
- Joint research activities
- Exchange of academic materials, publications and other information

It is the wish of the parties that the closer links established may eventually lead to collaboration in agreed areas.

The parties enter into this Memorandum of Understanding on behalf of their respective related entities.

This Memorandum of Understanding becomes effective from the date the last signature is affixed and is valid for 5 years unless terminated by the written notice of either party. This Memorandum of Understanding may be renewed for a further period if agreed in writing by both parties.

The parties agree that, at this stage, this Memorandum of Understanding and any information exchanged between them, shall be confidential, and neither party may disclose anything to any third parties, without the other parties prior written consent.

This Memorandum of Understanding is a statement of understanding and it is not intended to create binding or legal obligations on either party, except in relation to confidentiality.
