

DEPARTMENT OF PHYSICS INDIAN INSTITUTE OF TECHNOLOGY KANPUR

PHD ADMISSION OPEN FOR JANUARY 2026

REGISTER NOW

The Department of Physics at IIT Kanpur is reputed for its high-quality academic program and research in front-line areas of both fundamental and applied Physics. The Department has at present **51 faculty members** and is assisted by a team of Research Associates, Postdoctoral Fellows as part of the academic staff. There are around **235 Ph.D. scholars** engaged in doctoral research. Department also attracts Visitors from Universities and Research Institutions (India and abroad) throughout the year. The Physics Department engages research in frontier experimental and theoretical areas of Astrophysics, Biological Physics, Condensed Matter Physics, High Energy Physics, Cosmology and String Theory, Lasers and Quantum Optics, Fluid and Plasma Physics, Nonlinear Dynamics, Nuclear Physics, Quantum Computation and Statistical Physics, etc. More details can be found in the departmental webpage: www.iitk.ac.in/phy/

The Department of Physics at IIT Kanpur invites application (in the prescribed format given in the link <https://pingala.iitk.ac.in/PGADM-0/login>) from interested candidates pursuing a research career via our **PhD program**. Based on the applications received, the Department conducts selection of candidates twice a year. The admission process involves a rigorous selection procedure which includes a preliminary shortlisting based on **GATE/JEST** score or **UGC/CSIR (JRF only)** or master's degree in science from IITs/IISERs with a minimum CPI of **8.0**, followed by an interview (for the shortlisted candidates).

Interview for shortlisted candidates for the admission to January 2026 will be conducted on 19 Nov 2025.

APPLICATION DEADLINE: November 10, 2025 (Monday), 02:00 PM
